

Career Path High

GRADPOINT™ 

Parent Guide

Please use this guide to help you check your child's progress and grades within the GradPoint platform.

1

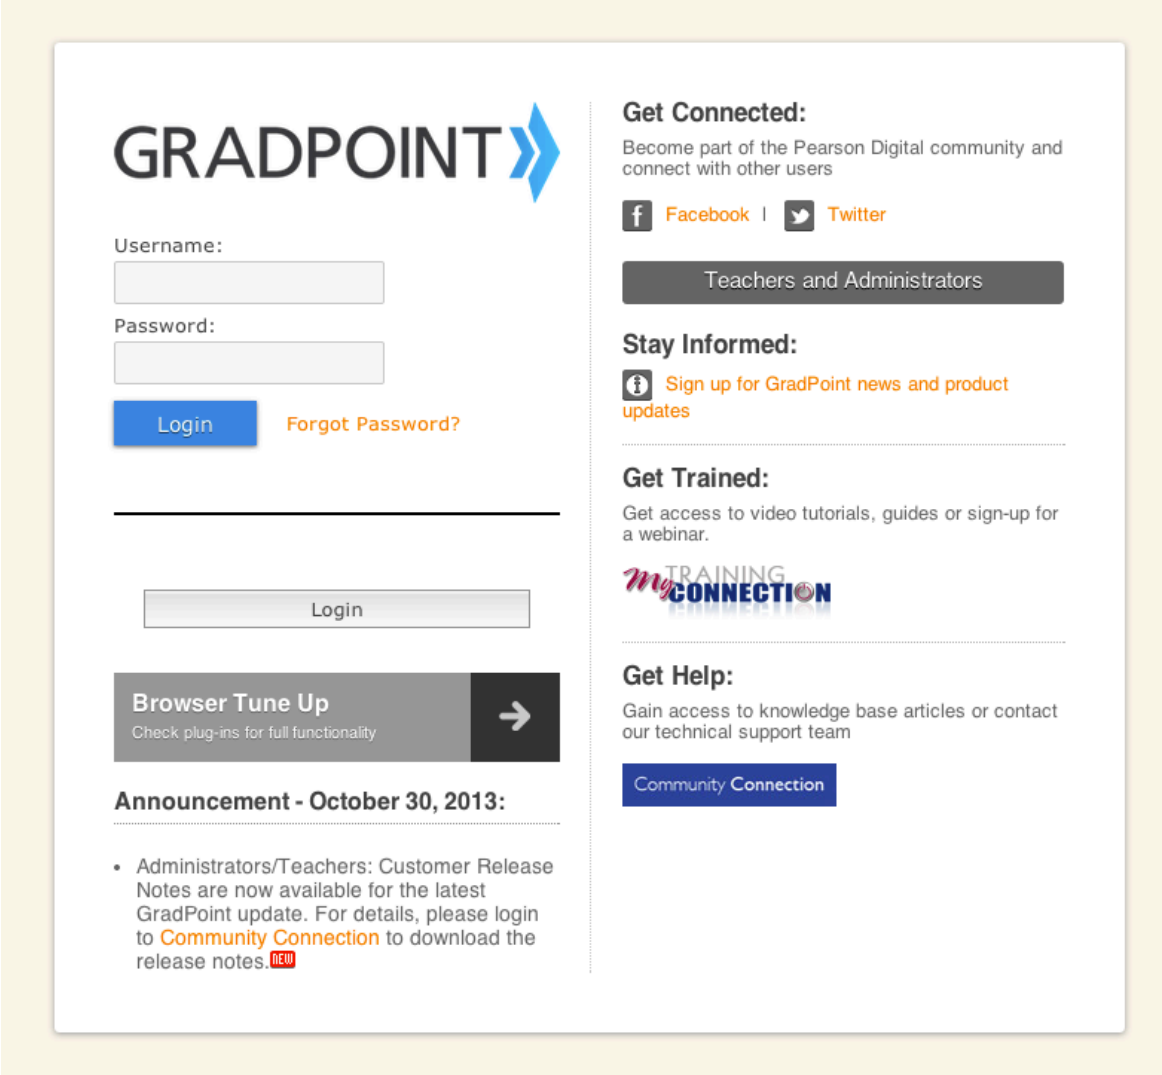

Type this address into your browser

<https://cphs9990-career-ccl.gradpoint.com/Welcome.vp/page.htm>

2

Enter your username and password

The screenshot shows the GradPoint login interface. At the top left is the 'GRADPOINT' logo with a blue arrow. Below it are two input fields for 'Username:' and 'Password:', followed by a blue 'Login' button and a link for 'Forgot Password?'. A horizontal line separates this from a second, disabled 'Login' button. Below that is a 'Browser Tune Up' button with a right arrow and the text 'Check plug-ins for full functionality'. An 'Announcement - October 30, 2013:' section follows, containing a bullet point about customer release notes. On the right side, there are sections for 'Get Connected' (with Facebook and Twitter links and a 'Teachers and Administrators' button), 'Stay Informed' (with a sign-up link), 'Get Trained' (with a 'My TRAINING CONNECTION' logo), and 'Get Help' (with a 'Community Connection' button).

3

Once you login, you will land on your child's dashboard. Here you can find high level information about upcoming assignments, overall course grades and announcements.

The screenshot shows the GRADPOINT dashboard interface. At the top is a blue navigation bar with 'GRADPOINT' and a 'Log Out' button. Below the navigation bar is a 'Home' section with a search icon and a 'Due Soon' panel. The 'Due Soon' panel shows '0 items due this week' and 'No items due this week'. To the right is a 'My Courses' panel listing courses with their grades and links to 'View', 'Grades', 'Objectives', and 'Activity'. Below that is an 'Announcements' panel with '4 in the last week' and a list of recent announcements. Three orange arrows point to the 'Due Soon' panel, the 'My Courses' panel, and the 'Announcements' panel.

Home

Due Soon 0 items due this week

No items due this week

In this panel you can view the lessons and activities your child is working on. You can also see your child's grades, the number of skills he or she has mastered and how many lessons/units he or she has completed.

Announcements 4 in the last week

- Welcome to Term 2 - Let's get started!** - English 10 Today 10:37 AM
- System Announcement - October Release Notes Available - Root Yesterday 12:16 PM
- Oct 28 - Nov 3 - Health P Mon 10/28 7:34 AM
- Oct 28 - Nov 3 - BiologyA Mon 10/28 7:33 AM

This area shows any assignments or work that are due in the next week.

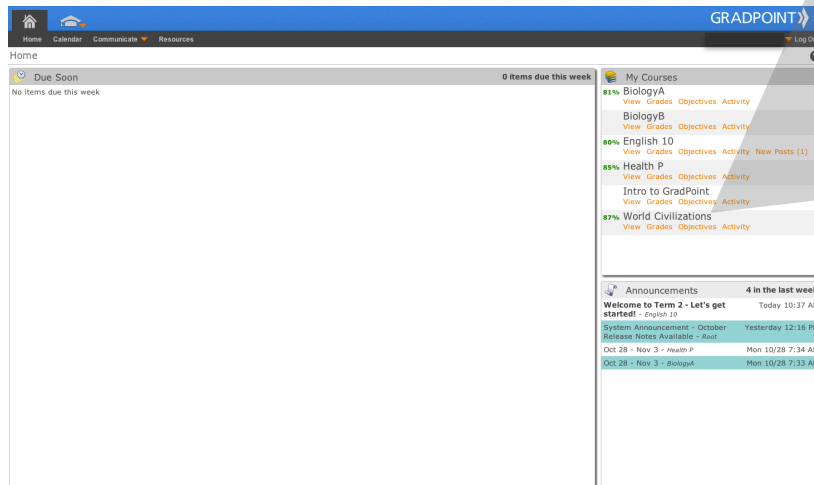

Any announcements from teachers can be found here.

5

The “My Courses” panel is where you can drill down to see specific information about your child’s performance.

Click here to view your child’s **grades** for each **activity**, quiz and test in the course.

Click here to see how many **objectives** (skills) that your child has **mastered**.

Click here to see all of the **activities** your child has **completed** and how much time he/she spent on each one.

Click here to **view** the **lessons**, **activities** and **assessments** for the course.

My Courses	
81%	BiologyA View Grades Objectives Activity
	BiologyB View Grades Objectives Activity
80%	English 10 View Grades Objectives Activity New Posts (1)
85%	Health P View Grades Objectives Activity
	Intro to GradPoint View Grades Objectives Activity
87%	World Civilizations

6

When you click on “Grades” in the My Courses panel, you are brought able to **view each assignment** that you child completed as well as the **grade** that he or she earned.

Grades: BiologyA

Student:
Score: **81.11%**

Overall grade for the course.
