Discussion and adoption of 2019-2020 School Trust Lands Plan. Heidi had questions about the science summative test scores. All parents felt that helping their students make continuous progress without being blocked was of great importance. Stacey and Anthony gave their opinions regarding the impact of instructional support positions versus adding a teacher FTE. Heidi May made a motion that the SY 2019-2020 Trust Lands plan reflect the academic goals for core subjects set by the Career Path High board. The Trust Lands funds would be used entirely to provide additional instructional support for teachers and students.

Anthony Uriona seconded the motion and the vote was unanimous.

Eric directed Stacey to fill in the Trust Lands Plan as passed by the STL Committee and send out to committee members to review. It will be voted on by the CPH Board of Directors on March 25, 2019.

Michelle made a motion to adjourn. Anthony seconded the motion. Motion passed unanimously.
