

**Career Path High  
School LAND Trust Council Election Process  
Adopted – December 19, 2013**

In accordance with Utah Code 53A-16-101.5, Career Path High shall establish a School LANDS Trust Council which shall prepare a plan for the use of School LAND Trust Program money allocated to the school.

Our School LANDS Trust Council will consist of three parent/guardian members and the School Director.

Parent/guardian members shall be selected through secret ballot election. Parent/guardian members must have a student enrolled during their term on the council. A parent/guardian member may not be a licensed employee at the school.

For the 2013/2014 School Year our parent/guardian election will take place in January of 2014. All subsequent elections shall take place in October.

At least 10 days prior to the election a notice to parents will be delivered that includes open positions, how to file, and when and where elections will be held

In the event that a race is uncontested, ballots and an election are not necessary.
