

## Attention CPH Students!

We are excited to start school this week with you! Here are a few reminders for school start -

### 1) Class Schedules

- a) First week of school is half days on your grade level on campus day. If you are on the Blended or On Campus Pathway you are expected to be there in person during the assigned time. All students should plan to work at home when it isn't your grade level time this week. Distance Pathway students are expected to participate in the live streamed orientation during the assigned time. Your Success Coach will send you the link to participate. All CPH students are required to attend the orientation Activities so you will have a strong start!

On Campus Orientation Activity Schedule

	August 25th	August 26th	August 27th	August 28th
8:15 - 11:15	9th Grade	11th Grade	9th Grade	11th Grade
11:45 - 2:45	10th Grade	12th Grade	10th Grade	

- b) School Pictures Lifetouch will be taking school pictures on August 25th & 26th. Students will have pictures taken during their scheduled orientation day. Distance Pathway students may come to school with a parent or guardian to get their pictures taken. It would be best to arrive around 9:00 or 11:45 when not participating in orientation activities - please go directly to the Davis Tech Rotunda parking in the parking lot east of Davis Tech.
- c) Regular Schedule starts the second week of school. Please make sure that you attend on the assigned days and participate in the virtual/streamed classes if you are choosing to be at home.

- d) Lunch time - This year the lunch break is 11:15 - 11:45. Students may buy a school sack lunch, eat in the Davis Tech cafeteria, bring their lunch or get something off campus. School sack lunches are \$2.50 each and lunch passes can be purchased in 10 lunch increments. Fee waivers and reduced lunch applies. Please purchase lunch tickets online or before or after school in the front office. The lunch tickets can be picked up at the school office. Davis Tech is currently serving prepared salads or box lunches with sandwiches, chips and a cookie. While the weather is good students will be encouraged to eat their lunches outside.
- 2) **Required Classes** - Please remember that the Orientation Activities are required for all students to attend. New students to Career Path High are expected to attend On Campus / Virtual classes the first 10 days of school. Returning students are strongly encouraged to attend classes either on campus or virtually. Remember as long as students are on pace they may choose to attend class/v-class or do independent work.
- 3) **Flex time** - Flex time will start the second week of school too. This is a time to work independently, at your own pace and get support from teachers. Something new is that you will need to schedule time with your teachers during this time. You will learn how to do that during orientation.
- 4) **Class Schedules** - Remember that after the 10th day of school class schedules cannot be changed for the term - this includes Davis Tech Classes. If you are needing to make a change please reach out to Ms. Funn right away. There is a \$10 class change fee starting August 31st.
- 5) **Risk Mitigation** - Masks, Building Signs, Sanitation and Movement: Signs have been placed around the school with sanitation protocols, directions on hallway movement, social distancing reminders and masks. Enhance cleaning protocols have been put into place. All students must cooperate on this so we can keep campus open all year! Please go to our website to see more details:
